

UNIVERSIDAD  
TÉCNICA DE AMBATO

## Call for scientific articles for the journal Boletín de Coyuntura

The Economic and Social Observatory of Tungurahua of the Technical University of Ambato, Ambato-Ecuador, invites the research community to submit articles (Spanish/English), to participate in the process of evaluation and publication in the scientific journal Boletín de Coyuntura with e-ISSN 2600-5727 / p-ISSN 2528-7931, registered in Academia.edu, BASE, Crossref (DOI), Dialnet, DOAJ, Google Scholar, LatinREV, MIAR, REDIB, RERCIE, RRAAE and in the Directory and Catalog 2.0 of Latindex.

Boletín de Coyuntura is a quarterly journal of the Economic and Social Observatory of Tungurahua of the Technical University of Ambato (January-March, April-June, July-September and October-December), which aims to contribute to scientific knowledge through the dissemination of research articles, scientific communication or original creations, focused on: economics, finance, management, and accounting; aimed at professionals and researchers working in these fields of knowledge.

The journal is of public access and does not charge any economic fee for publication or access to its material. The arbitration system is double-blind, with a national and international Editorial Committee, internal and external evaluators.

The reception of articles is permanent throughout the year by e-mail: [obeconomico@uta.edu.ec](mailto:obeconomico@uta.edu.ec)

Please indicate the type of article submitted, which can be scientific research, review and reflection. For more information, please write to the e-mail address indicated and check the following links:
